'TAMBIRA'

TAMBIRA

This is a call from the mountain of God
Tambira, Tambira
So come with thanksgiving and joy in our hearts
Tambira, Tambira

Let's go to streets with love
Let's shake the world with love and singing
It's celebrations now
For the time to dance has come
YogaiYoga (congratulations)

Tambira, Tambira, Tambira Jehovah, Tambira
Tambira, Tambira, Tambira Jehovah, Tambira

(repeat from top)

Tambira, Tambira, Tambira Jehovah, Tambira
Tambira, Tambira, Tambira Jehovah, Tambira

E-yelele, e-ye le le, e-yelele, e-ye le le, Tambira Jehovah
E-yelele, e-ye le le, e-yelele, e-ye le le, Tambira Jehovah
(Repeat)

Come and dance to the lord *ayee*
Come and dance to the lord
(Repeat x 6)

'Tambira', which means 'dance' in Uganda, is a joyful song with plenty of room for dancing and improvisation! The words are simple using both English and Lugandan (Uganda's widely spoken language).

NOTE: This song can be part of an encore at the end of the show. It also has a video accompaniment that will play over the top as the choir perform.
