

Destiny Africa 2018 US Tour

Preparations are underway for the 2018 USA tour! Destiny Africa Children's Choir from Kampala Children's Centre, Uganda will be touring the United States from August – November 2018 with many returning faces but a brand new and powerful show! You will not want to miss the opportunity to host these amazing young performers.

We are pleased to announce the Destiny Africa Children's Choir 2018 USA Tour! This multi-talented children's choir has been touring in the UK, Belgium, and United States since 2009 and deliver an amazing, heartfelt experience of joy and hope! They have been blessed with many opportunities to perform for Uganda's President and Vice President, the UK Prime Minister and members of Parliament, UK Symphony Hall, at US State Houses and for government officials, at the United Nations, the Ugandan Embassy, and more! They have performed for Heads of State, Ambassadors, and African Kings from around the world at the Uganda Jubilee, a celebration of 50 years of independence. In the US, they have performed at the Greater Hartford Festival of Jazz, The Boston & Brooklyn African Festivals, The Newport Yachting Center, the 2013 Hartford Women of Faith Conference, and performed with four-time Grammy Award Winners – Third Day!

It is difficult to believe the hardships these children have already endured in their young lives as you listen and look at their smiling faces. The music they make is exciting, inspiring, and vibrant! [Click here](#) to find out more about our organization.

The choir will be traveling all the way from Uganda to perform in the US from August through November 2018. Do not miss this glorious opportunity to hear and see these amazing performers! We would love to have more people enjoy firsthand the exuberance and excitement these children bring by seeing them perform.

Without Kampala Children's Centre and the compassion of others, many of these children may not have survived at all! Our goal for the 2018 US Tour is to raise awareness for ongoing projects such as much needed expansion to our onsite secondary school, additional female housing, sponsoring KCC houses' food budgets. These projects are vital to the development of the children. We aim to provide an excellent education, good health care and optimal nutrition. Together, we continue to provide a safe and loving environment to these children who come from war torn areas, slums, and AIDS affected areas.

We invite you to be part of our 2018 Tour. We are looking for new performance venues such as theatres, colleges, schools, festivals, and churches. If you or your organization would be interested in supporting us with new venues, donation, or sponsorships, please contact us now!
